* For the examination (graduation) date of 31st August, there are 2 diploma presentations scheduled; one in September and one in October. This is mainly due to the high number of diplomas requested during this period. Given that the preparation for a diploma presentation is time consuming, only students who have *all grades* registered by the 13th of August 2012, will be eligible for the diploma presentation planned in September. Please be informed that there will be no exceptions made.
