change(s)

- **personal portfolio(s), with identity, and obligatory (peer) review(s)**
- **stress on skills, and (explicit) check for cheaters: ACE/PAC/AR !**
- **no flex/a3 anymore, only html5/js, canvas and associated libs**
- **(planned) better explanation of assignment(s) and track(s)**
- **stricter deadlines and explicit stress on grading requirement(s) !**
- **and ... perhaps a *focus group*(s) [], ... any (further) questions? ...**
